### **Fundraising-**

The best place to raise funds is from your friends and relatives. We will have handouts for you in the very near future to help you in your efforts. We will be looking at some other activities to raise funds also.

### **Prayer-**

Please remember that God is the one we serve. Prayer is a key element in all that we do including this mission trip. Pray daily that God will bless this trip and He will provide the means to make it happen. Have faith in God!
